

# We Need Your Help!

Greater Philadelphia Commercial Recycling Council

The Annual Meeting and Awards Luncheon (March 9<sup>th</sup> 2007) is the main fund raising mechanism for the Greater Philadelphia Commercial Recycling Council. GPCRC expects 200 facility, property, procurement, and environmental professionals at this event. This is a perfect opportunity for your company to let the region's top professionals know how you can help them. Whether your company provides equipment, products, services, or is a business that has high environmental programming commitment, our members need your help. The GPCRC philosophy is that facility, property, and environmental managers need to invest in new products, equipment, technologies, and services if they want to maximize sustainable recycling and other environmental programs. Your support, then, is vital to our mission. And *your success is the key* to the achievements of this region in maximizing our recycling opportunities.

There are four ways you can help us: 1) Sponsorship; 2) Partnership; 3) Supporter; 4) Advertise in the Meeting Handbook.

Benefits you receive as a sponsor, partner, supporter, or advertiser vary depending on your level of commitment. And, obviously, the earlier you commit to helping us out, the more recognition you receive.

- Please call David Biddle, Executive Director, at 215-432-8225 with any questions.
