

Recycling Survey for

Over 80% of what we throw out in this building can be recycled. This survey is intended to give management an idea of our willingness as tenants to recycle. It shouldn't take you more than two minutes to fill this out. Just circle "Yes" or "No" and check the materials you are would like to see recycled...

1. Would you like recycling in the building?

Yes

No

2. Would you be willing to participate?

Yes

No

3. Are you willing to take your recyclables to a centralized recycling container?

Yes

No

4. Which of the following materials would you be willing to separate out of your trash for recycling? (check all that apply)

- Newspaper
- Mixed paper
- Glass food and beverage containers
- Aluminum beverage containers
- Plastic milk and soda bottles (#1 & #2 plastics)
- Steel food containers
